

Quality Assurance Information for BASCD Spring Scientific Meeting 2024

| | |
|--|--|
| Title of enhanced CPD | Time to Explore Collaboration; working together to improve oral health |
| Learning content | This scientific meeting is intended address how we can facilitate collaboration across boundaries to improve population oral health. It is intended to facilitate an exploration of how, when, and why collaboration with others can add value to any oral health improvement policy or programmes. |
| Learning provider | British Association for the Study of Community Dentistry (BASCD) |
| Aim | To explore the ways in which collaboration across professional and other boundaries can add value to programmes and policies to improve oral health. |
| Learning objectives | <ul style="list-style-type: none"> • Identify how collaboration across professional boundaries can add value to oral health improvement programmes and policies. • Discuss the benefits of collaboration in different dental and oral health environments. • Explore the variety of organisational and individual co-collaborators to improve oral health. • Understand the personal and professional requirement to facilitate collaboration on oral health improvement policies and programmes. • Identify different types of consultation, collaboration, and partnership work to improve population oral health. • Appreciate the need to collaborate beyond our own professional boundaries on work to reduce dental disease and improve oral health. |
| Anticipated GDC Development Outcome(s) | <p>A – Effective communication with patients, the dental team and others across dentistry, including when obtaining consent, dealing with complaints, and raising concerns when patients are at risk</p> <p>B – Effective management of self and effective management of others or effective work with others in the dental team, in the interests of patients; providing constructive leadership where appropriate</p> <p>C – Maintenance and development of knowledge and skill within your field of practice</p> <p>D – Maintenance of skills, behaviours and attitudes which maintain patient confidence in you and the dental profession and put patients' interests first</p> |
| Dental professional 'Active Participation' required to meet enhanced CPD requirement | <ul style="list-style-type: none"> • Attendance of Conference programme • Completion and submission of an assessment of learning and participation (evaluation form) • Completion of reflective question(s) on reverse of ECPD certificate |
| Presentation content QA | Presentations have been reviewed by Charlotte Jeavons (BASCD President 2024-25). |
| Speaker(s) QA | All speakers are confirmed as being experts in their field. |
| Attendance confirmation | Via a register |
| How does the presentation content relate to the development outcome(s) | Each presentation is aligned to deliver against the conference aim and learning outcomes and against the highlighted GDC development outcomes. |
| Evidence of enhanced CPD | Enhanced CPD certificate in line with all GDC requirements |
| Number of enhanced hours | Anticipated hours: Thursday 11 April 2024 – 4 hours Friday 12 April 2024 – 5.25 hours |
